Head of Six Senses Private Residences Visits Japan

In early September the Head of Private Residences for Six Senses, Adam Taugwalder visited our office in Tokyo where we held a corporate retreat at one of Japans famous hot-spring resorts in the Japanese countryside with river of hot and cold running water. It was a great way to catch up on new sales & marketing initiatives and relax with the Refined team.

PROJECT UPDATE:

Six Senses Private Residences, Con Dao

We are delighted to announce that the Beach Front Villas at [Six Senses Con Dao](#) have recently sold out. However stunning 1, 3 & 4-bedroom Ocean View Villas are still available starting from USD \$675,000.

Please visit the [Con Dao](#) website or download the [factsheet](#) for information on owning a luxury-branded Private Residence on one of the most pristine and untouched islands in Vietnam.

Six Senses Private Residences, Soneva Kiri

With almost half of the 26 Private Residences already sold out, the developer has added six new 2 Bedroom Private Residences to the mix starting from US\$2.5 million.
